

Hempfield Ski & Snowboard Club Special Meal Deal

Ski Roundtop offers three (3) specially priced meal packages to groups. These packages can save members a few dollars than if they purchased their meal items separately at Roundtop's cafeteria. However, the chaperones need to buy the tickets for these packages upon arrival at the resort so students must let us know en route that they want one of these packages. The chaperones hand out the tickets to those who purchased them at the required 6:30 PM check in time. **The three meal choices are listed below and the price for each is \$ 10.00.** For any student to participate, here are the instructions.

- Students should place the \$10.00 (correct change please) in an envelope with their name written on the outside. **CASH ONLY, NO CHECKS!!!**
- A chaperone on each bus will collect the envelopes while en route to the slopes.
- The chaperones will buy the tickets when we arrive.
- The tickets will be handed to the student at the required 6:30 PM Check In for them to use for dinner.

This is to be done on a weekly basis. Please do not pay ahead for future trips. Thanks for your cooperation and think snow!!!
